The Premises:

Reasonably discreet walk up on the corner of Charing Cross Road. Felt very safe. Maid was polite and offered me a glass of water while I waited (which was only 10 minutes, so I was lucky).

The Lady:

Absolutely gorgeous - a body to die for. Toned and tanned, about size 8, nice tattoos and pierced belly button. Now has dark hair, which I don't think she likes, but it suits her and goes well with the tan. I'm getting excited just writing about her!

The Story:

Another wonderful visit to Paris. Was very impressed that she recognised me and immediately felt at ease in my company. Spent a bit of time chatting and catching up before getting 'down to business'.

Once the money was sorted she let me spend a lot of time kissing and caressing that gorgeous body of hers. Eventually she slid on a condom and gave me a fantastic and enthusiastic blowjob. If this girl doesn't enjoy her work, she is a much better actress than her namesake.

Normally we have sex in missionary position but as I was so erect we decided she should go on top this time. Again she was extremely enthusiastic and rode me hard, and I could feel her 'clasp' herself around me which was amazing. Lots of noise from both of us until I climaxed which turned me on even more.

After I came she collapsed on top of me and we lay and kissed and cuddled and laughed with each other for some time. Pure bliss.

She was in no rush and we cuddled and chatted for some time until it was time for me to get dressed and leave a very contented man. I think I could be falling in love with Paris.
