### The Premises:

Front downstairs room in a multi-occupancy terraced house in a quiet side street about 5 minutes walk from Loughborough Junction station. Gloomy at first with blinds pulled but she did put a small table lamp on. Free street parking and also near to several bus routes.

### The Lady:

Black woman in her early to mid 30's. Reasonably good body with moderate breasts and a nicely curvy posterior. Pleasant demeanor & attitude. Very curious procedure for directing you to her house involving getting you go to the house opposite. Luckily no one was in! Beware, her phone number is a premium mobile number and will charge you a higher rate which will not be included in your allowance.

### The Story:

Pleasant and relaxed session. A little foreplay followed by sex in two positions. Excellent VFM. Recommended.
