### The Premises:

It was very clean, had safe parking and was easy to find. Two ladies on when I turned up and three ladies just starting the evening shift as I left.

### The Lady:

Early 20's dark hair and a lovely figure, not stick insect but no excess body fat. Shaved down below, with just a hint of stubble coming through which was actually very pleasant when playing down stairs!!!!

### The Story:

This lady is fantastic, very good at her job. She put me at ease very quickly and give a very nice soft massage, her oral technique is great and I could worship her pussy it is so tasty and she is so responsive to it being adored.

She has a great manner in the bedroom and made every effort to make my stay with her as enjoyable as possible. Now nearly a week later, I am still finding it hard not to get a stiffy thinking of her and have the great memory of how turned on I was in her company.

Thank you Lexi, it was a pleasure being with you.
