The Premises:

Hard to find. The entrance was off road behind a reinforced black door.

The Lady:

Plain looking. Seemed in her mid 30s. Unshaven pussy.

The Story:

Gave me a massage that seemed very drawn out. Gave me a rough blow job with lots of wanking. Was gonna spray my load so asked to fuck her. After about ten minutes of missionary I asked her to do doggie. She said know. Was desperately trying to make me cum. Agreed to go on top. Did a good job riding and finished with a uncovered HJ. Disappointing. I was told there will be a new girl there next week though.
