The Premises:

clean & safe. The best maid in the business. This place consistently finds the best girls which keeps me coming back for more year after year

The Lady:

petite mid 20s (i'm rubbish at guessing ages) blonde with fantastic large breasts.

The Story:

Seemed slightly board with the financial part but once she returned to the room the fun started. Long session of OWO which was amazing followed by covered sex in various positions. She really responded with enthusiasm and the whole session was unrushed. She offered a massage to finish & she then seemed suprised & reluctant to accept a tip as I left. This was a real quality punt & in my top 5 of all time. Last week saw Caprice here & she was also in my top 5!! What a great place to spend time on a Sunday afternoon!
