The Story:

First time I ever visited a sex party. Was nervous about getting to spend enough time with the girls and about watching or being watched. Spent some time with Gaia who was ok without being engaging. Then hit the jackpot with Carmen, was having a little chit-chat when she stood up and asked me to join her upstairs. I enjoyed it so much I went back the next day. Gaia was there again and had more of a connection with her this time. Paula was there who is pretty and although seemed moody was doing the business in the bedroom. Tina was there but was so busy I did not get a go. Diane is a mature single lady who turns up for fun and boy does she give/get it. Met Pam as well who has a relaxed hands off attitude to the party. VFM but you need a bit of self confidence.
