The Premises:

Anonymous modern block not far from Edgware Road. Safe area. Discrete although Middle Eastern clients might not think so.

The Lady:

Young, gamine, model slim, pretty with nice, not large breasts and an almost boyish behind. Clearly not the same person as on the website, who is described as 34c, whereas my Amelia was more like 32a. About 5'7", blond and sexy as hell.

The Story:

This was the most I had paid for a single encounter, but it was well worth it for me.

She told me the fee covered everything, but I don't know if it included anal.

Once the preliminaries were over we lay down - she started by saying I had a nice body which makes a change. I started with a bit of spanking, with her lying down at first and then on all fours with her playing with my cock.

Moving on from there I started licking her pussy which she seemed to enjoy, arching her back and groaning. She had a very nice pussy - slim and smooth, a bit like herself. After about 15 minutes I inserted two fingers and continued to wank her until she came hard.

After that she sucked me and I fucked her in doggy and mish which we both enjoyed. She did not watch the clock and ran well over even when reminded by the maid.

It was one of those rare occasions when we both seemed to like what each other was doing. If you are lucky enough to get this Amelia then you should have a good time.
