### The Premises:

The place was located off the main road with an entrance that was not noticeable to the casual passer-by. The area felt safe and the place itself was clean, tidy and very welcoming. The lady (Management) of the house was polite and friendly and made me feel at home from the moment I arrived.

### The Lady:

Savannah was stunning. She was very well spoken, great figure with delicious natural breasts. She had stunning blue-green eyes and long brunette hair that felt very soft to the touch.

### The Story:

Although I had felt nervous about going to this establishment, the moment Savannah walked in and greeted me, she put me at ease. She has a bubbly personality and really takes the GFE seriously. If you treat Savannah with respect then the world's your oyster with her. I did particularly enjoy the oral(with/c) but was surprised how much she enjoyed oral being given to her (I could have spent the entire half hour doing just that!) She was gentle, thoughtful but also vigorous when needed to be. After oral, we ended up with 3 different positions (Cowgirl, Doggy and finally Missionary). When finished, we had a lovely chat and kissed/cuddled some more. Savannah did not look at the clock once throughout the visit and even went over a little through chatting. A lovely girl with a terrific personality.
