The Premises:

Purpose built flat 2-3 minutes walk from Uxbridge tube opposite Barclays Bank. Modern, clean and well presented, also totally safe and discreet.

The Lady:

Hungarian girl that speaks perfect English and is around 5'7 tall with long legs and a pear type figure. Shoulder length brownish blonde hair, hazel eyes and a lovely smile. Soft 32C breasts with responsive nipples and a round bum; completely shaven with some of the biggest pussy lips you'll ever see!

The Story:

She offers most services including A without extra charge.

We hit it off well from the word go, both laughing and snogging our way to pleasure through DFK, cunnilingus, O and cowgirl. As well as those lovely pussy lips, Sophie has marvellous pelvic floor muscle control and her squeezing of my cock was an absolute joy too experience.

Sophie will probably return to Hungary permanently before Christmas this year, so don't leave it too long to see this lovely girl and her amazing lips.
