The Premises:

as previously reported. well established parlour on the high street. discreet enough at this time of night. (back door can be used if needed)

The Lady:

5ft8, size12. smallish breasts. dressed in black and red basque and fishnets. far and away the best looking of the 3 girls available. (all 3 looked good though)

The Story:

Nothing fancy here. opted for the standard half hour massage oral and sex. massage quite sensual, oral was almost too good and nearly ended things far too fast. sex in mish to finish. as i said nothing fancy but just what I was looking for!
