The Premises:

Took place in small club, discreet, not a great area, but fine inside.
2 floors, bar and dance area on ground, playroom on first

The Lady:

4 nice looking ladies, 1 Indian, 1 young slim blonde and one brunette plus the hostess Debbie. All in sexy attire which soon came off.

The Story:

Debbie really knows how to pick the girls for these parties.

They were all really into the scene and were all encouraging as much action as possible.

Started downstairs with all 4 girls on their knees sucking all comers, all the guys (about 18) finishing all over the face and in the mouth of the lovely Indian girl who get drenched and who then cum-swapped with one of the other girls. What a sight !

Short break then a protected gangbang upstairs for the last hour with all girls, who still wanted more facefuls of cum.

Great evening and great value for money.
