The Lady:

Cathy is nothing short of delightful. She is 18yo, quite tall with long, dark hair. Cathy was wearing a loose, lacy gown over sexy black teddy. Hit exactly the right note for me. She was very welcoming and eager to please, intelligent and easy to talk to. Gave exactly the GFE she promises.

The Story:

Cathy asked to postpone the start of the meeting from 8pm as she had been unavoidably delayed. Fortunately this did not present a problem for me and Cathy made sure I still got the full time I booked for and all the services I wanted. Cathy provided generous glasses of wine which we enjoyed while we ?broke the ice? before getting down to some serious smooching and oral sex. Cathy is a very enthusiastic deep French kisser, her breasts are not large, but beautiful and very sensitive ? nice! ? and she is very, very responsive to receiving oral. As giving oral is just about my favourite pastime, I spent much of our date DATY and, hopefully, provided satisfaction. Declining Cathy?s offer, I decided to leave her responding effort for a return fixture, and we spent the remainder of the time cuddling and chatting and just enjoying each other?s company.

This is a girl I want to visit again and again, gradually getting to know her better each time and exploring new activities. If you go to see Cathy be nice to her guys, she?s definitely worth it. My second visit is already booked!
