The Premises:

I've not reported for a long time having been a single girl man for a while with its own advantages and of course disadvantages, a change is as good as, The Retreat at Chorlton I knew from many years ago, hidden entrance, 2 girls working, friendly receptionist with cuppa. Rooms very jaded but what the hell, en suite shower.

The Lady:

Celeste is a petite bubbly mixed race girl, very sociable, chatty but not at the expense of the service.

The Story:

for a first time return to the scene this was a cracker, enthusiast, full on, willing and able to push boundaries, no holding back. Girls like this are a real find at a parlour, guess it was just fate that headed me towards this establishment. I did know someone who worked there many years ago so perhaps that influenced me. Anyway my whole hearted recommendation for this sexy little minx. Yes she does work elsewhere leading a busy life, I wasn't the first of the day at all but she was all revved up raring to go. By the way if you read this I forgot to say I was off on hols and have come back with a cold, see you next week - mail box was full on Punternet hence delay
