The Premises:

They're located in a large London town house, on the ground floor. No need to buzz an intercom, their door opens right onto the street. The reception/waiting area is quite impressive and the room was clean and tidy.

The Lady:

Busty Czech brunette in her mid twenties. Pretty face, lovely figure and great boobs.

The Story:

This was essentially a parlour punt so I wasn't expecting too much, but Daniella exceeded my expectations. Started with some french kissing, then some great owo. Only managed two positions before I couldn't hold out any longer.

Daniella is a great girl, pity she has such sensitive nipples because you're really going to want them in your mouth when you her boobs. Be gentle!
