### The Premises:

As reported before.

### The Lady:

Website pictures don't do her justice. Early to mid 40s, slim, smallish breasts with lovely pert nipples.

### The Story:

Handed over the cash and undressed, then onto the bed for a talc massage. Have to say this was one of the best massages I've had whilst punting and really put me at my ease. Then onto a nice bit of owo, lots of eye contact and gentle but firm tongue work. Moved round for a cuddle and a kiss and I gave her pussy and clit a good finger. Finally on with the overcoat and I finished with her legs on my shoulders as I pumped her hard.

All the way through Lorraine was very talkative (except when her mouth was full!) and she seemed to be enjoying what she did. Another top punt at this establishment.
