The Premises:

Nice quiet rural location between Kenilworth and Balsall Common. Go up the drive and park at the back of house. Enter through patio doors.

The Lady:

Petite slim lady in late forties. Sexy underwear with stockings and suspenders. Nice firm tits and fully shaven pussy.

The Story:

Explored each others body whilst kissing (but no DFK). Kissed those pert tits until the nipples hardened. Then after a quick wipe with a wet-wipe on to OWO. Great BJ with lots of eye contact. Debbie asked if I wanted to continue with oral or have sex. I elected for the latter and fucked her doggy and then mish with her legs over my shoulder. Exploded in her in a very satisfying orgasm. I will return and maybe on a Tuesday or Thursday when Sandie (who owns the house) is normally there as well. Debbie wears her engagement and wedding ring (her husband knows her trade and built her web site)- nevertheless it's something of a turn on for me knowing I'm fucking someone elses wife?
