The Premises:

The location was near to Brick Lane in a council block, entry via intercom. The inside of the flat was clean and there is a shower facility.

The Lady:

Anabelle is a young 'Polish girl about a dress size 12 with D cup breasts, although her advert described them as B cup.

The Story:

The session started with a really firm and relaxing massage, the best I've had in ages. The conversation was also really good and the only downside was that I felt sleepy instead of horny. When I turned over Anabelle removed her bra and that got me back in the mood. Her boobs weren't the firmest I've felt, but her pink nipples were very suckable. She then gave me oral without and after a while I finished with a facial, well only the first shot, but that was ok with me.

I would return for a massage and a topless hand job.
