The Premises:

Fantasia - small parlour on Attercliffe Road among a group of shops. The room was quite small but clean and perfectly acceptable.

The Lady:

Joanne is in her mid 30's, quite large with very big tits, nice smile and lovely eyes which she describes as green.

The Story:

Wasn't sure about Fantasia as it has a few bad reports in the past, but at the price I thought I'd give it a try.

Was shown to the room and waited about 5 mins for a girl to come up. This turned out to be Joanne who being large isn't my preferred choice. However as she undressed I instantly started to get aroused as she has the most wonderful pair of tits.

Next came a very accomplished body-to-body massage making expert use of those tits. The price includes everything so I started with a covered blow job, at which she is equally accomplished and maintains eye contact throughout which is a big turn on. I decided to finish with breast relief which turned out to be the right decision. An extra application of oil and she teased me around and between those tits until I came all over them. Wonderful.

Joanne is very friendly and un rushed. I don't know about other peoples experience of Fantasia and I haven't seen any other reports on Joanne, but I don't think I've ever enjoyed ?20 more.

I shall be returning for more.
