The Story:

Having read a similar report for a Chinese Massage, I decided to boldly go and try one for myself. Having paid for the masaage I was led downstairs to a small room, and was invited to take my clothes off and await Lin, she arrived 2 minutes later and gently smacked my bum! not being keen on oils Lin gave me a gentle massage with Powder and felt quite aroused as her hands explored my back, neck and finally legs, this caused some further excitement as her fingers kept touching my semi erected. At this point I was invited to turn over and by now my semi was rock hard, Lin laughed and I felt a bit embarrassed but she was ok, and gave me a wink and said 'extras' I negotiated an extra ?50 as Lin removed her clothes and allowed me to explore her as she played with me, By now I was raging and Lin finished of her hand job as I gently kissed her breasts, after some clean up, she said a foursome was also available, and this I said would be my next venture, Thank you Lin, I shall return
