The Premises:

Immaculate as ever!

Dropped by LM as it had been far too long since my last visit, went for pot luck as hadn't see any of the rota'd ladies before. Introduced to those available (all looked pretty good) but then Kerry walked in a little sleepily still wearing her PJ's (late night) - even like this she looked naturally gorgeous!

The Lady:

I have trouble believing this is Kerry's first HoN considering how good she is and been at La Maison for the past ten months!

Kerry has a fantastic figure and is gorgeous (even without makeup) - she did mention about toning up a little but i couldn't see anything that needed changing!

The Story:

When ready was led to the room and Kerry started to give me a standing shoulder rub and kisses before id even had the obligatory shower - definately a good start! Anyway, had a chat and massage along with kisses and caresses for a short while before moving onto a LOT of RO including some 69 and face sitting (too long since that was on offer). Kerry gave a great BJ for a while before some more RO and onto the various positions (cowgirl, missionary, doggy etc) before finishing with CIB. Took me back to reception and said goodbye with a kiss - always the best way to leave....

Overall a great time was had and will definately be spending time with her again.
