### The Premises:

VH is a well run establishment. Clean, safe and the staff are welcoming.

### The Lady:

Gorgeous shaven petite brunette with great legs, sexy bum, fit body and firm breasts.

### The Story:

Started with a sensuous back massage, including body to body massage. Then switched to the front. Mia has good hands and soon had me standing to attention. Some good oral followed.

Mia then climbed on top for the start of some great sex. Mia likes to ride and she is nice and tight which makes for a great sensation. Then it was my turn, we had sex in various positions including missionary and spoon and finished off with doggie.

Mia is lovely girl and if you are after some normal good clean fun, then she is the girl for you.
