The Premises:

Dollymopp was located in a very nice, easily accessible hotel just off the Oxford ring road. The hotel had a mix of tourist and business guests and there was no problem in walking through the lobby. The hotel had security barriers on the car park, but there was no problem at all in picking up the swipe card at Reception needed to get out (3 hours free parking!).

The Lady:

Dolly's description (and website pictures) of herself is spot on. 40-ish, ~5' 4", full figure, shoulder-length black hair, stylishly dressed and make-up. The immediate impression on meeting her is "Yes!".

The Story:

I had a great time with Dolly. She is excellent at making you feel welcome and relaxed. After offering a drink and some nibbles, we progressed at a purposeful but quite sensual pace to removing clothing and engaging in a very, very satisfying sexual encounter.

Most definitely, a top-class lady!
