late 30s quadroon size 16ish very bubbly personality

The Story:

younger white circa size14 girl had a regular due so no choice of lady.good length back then front massage.good if not a little brief owo (this is getting harder to find in these parts)reverse oral to her rather energetic climax, then doggy style to mine.a nice enough experience but some what over priced for the quality of both the establishment and the body if not enthusiasm of the lady.
