The Premises:

As previously reported ground floor flat in new block near Tesco. Clean and tidy. Nice hug from the maid.

The Lady:

As Robbiede reported in FR 94732 not the prettiest of Chinese ladies. Must be in her forties with the odd black tooth and some stretch marks on her stomach.

The Story:

Started with a few closed mouth kisses then relaxing back massage. Nice when she rubbed her tits up and down my back. Turned over and for an extra ?10 had OWO which was also very nice. On with the mack for more oral before fucking her in mish. She winced alittle when I gave her my full length and it wasn't long before I shot my load. OK punt I guess but usually Chinese WG are younger and prettier. I will go back to the place but after she has gone. OK if you like a more mature oriental lady.
