The Premises:

As previous FR's the Gallery is a well established parlour, clean and pleasant, in a reasonably good area.

The Lady:

Jane has been described on other boards as a BBW however the word voluptuous is more suitable in my dictionary. Large breasts, I'd say 38,40. About 5'7", blonde hair, sweet face.

The Story:

Yet get some good and some bad at the Gallery so Jane is a welcome new addition. Soft scouse accent, very sweet lady indeed, she appears to enjoy the job.

Started with excellent massage, I'd had a long day so this was particularly welcome. Rubbed her breasts all over my body which always feels good. Moved on to, and ended on, O. I was in such a relaxed and happy state that I was happy to let her finish me off. Albeit covered, this lady certainly knows what she is doing.

She likes to kiss too, her approach not mine. This always makes it feel more like a GFE.

Treat her nice.
