### The Lady:

Very good looking Spanish girl, Brunette Blonde highlighted hair, early 20's, 5'7" tall, lovely size 8, natural 34"D boobs, just like the photos, but you can't see her pretty face, good english,

### The Story:

Didn't have to wait long until Ella knocked on the door, and to my joy In walked a latina stunna, Ella was very nice, has a friendly nature and gave me a big kiss, and brought me a glass of juice.

Started off with lots of DFK, I lay back and let Ella tease me with her lips and body, OWO was given, Ella has a very good oral technique, she uses her tongue to tease, and Inserted a finger In my bum, I didn't ask her to do this, but It did feel good lol, (guys who don't want this you better have a no entry sign up If you go and see Ella hehe)

On went the condom, and Ella got on top, she told me to keep still as she rode me, the kissing continued through the session, I asked for doggy, we positioned so we could see each other In the large mirror, what a great sight to be fornicating with such a sexy young lady, It's what punting Is all about. Changed to Mish position, Ella closed her legs for a tighter fit, but we ended up with her long legs over my shoulders as I gave her all I was worth ?1.23 lol,

Ella told me to relax, she got the baby wipes and cleaned me up, a nice touch, no rush me out the door either.

I can see why some guys have stated that she likes to be In control, but I don't have a problem with that, In a punt It's give and take, I was happy for her to show me her skills, but equally there was no problem In me taking the lead also, Ella had no problem with that.

I had a very good punt with Ella, she's gorgeous looking, but also a friendly down to earth girl, who gives a great service, anyone who has a weakness for sexy spanish maidens needs to pay Ella a

visit.
