The Premises:

Not at all seedy, but rooms and beds are small. Double normal room charge for Twins a bit of a gip.

The Lady:

Identical twins. Long ash-blond hair, nice lithe bodies, pretty faces. One enhanced, the other not - at least it helps tell them apart.

The Story:

What a novelty. Identical twins who are up for anything (except A). They both suck and fuck with real enthusiasm, and are aware of the fact they can be a bit overwhelming so I asked them to take it easy and they were very understanding. The only problem was the small bed meant the positions they could do were limited and I couldn't tell who was doing what to whom, but it was all good. The price makes this a bit of a rare treat though, maybe they could do a "Buy One, Get One Free" offer. Still worth it to cross every man's fantasy of the list.
