The Lady:

Veronica was a bit flustered when I met her as this was her first appointment of the day and apologised for not being ready. 5 mins later she returned and looked absolutely stunning. Pretty, petite firm body, sexy. She also has a very happy and gentle manner which makes her even more appealing!

The Story:

As soon as the clothes came off she leaned over the bed and said the words every man wants to hear 'you can do anything you want!!!'. This girl is seriously dirty! Loads of kissing and touching, she seemed up for anything. She was keen to get onto my cock and I enjoyed the most amazing OWO. She seemed happy to be touched and fingered as she sucked. After 10 mins of sucking I was ready to blow so had to ask her to slow down. A bit more kissing and RO was followed by sex in various positions before I heard some more magic words - 'would you like to cum in my mouth?'. Another mind-blowing blow job followed and the inevitable happened. This girl is amazing and a rare treat in North London.
