The Premises:

Upmarket house in a terrace - you'd never guess what lies beneath the front door!

The Lady:

Tia is beautiful. Not just attractive, but stunning. She has a fantastic slender body, amazing toned legs, a perfect taut backside and gorgeous boobs (I think enhanced, but hats off to the surgeon if that's the case!).

Tia could grace a Milan catwalk, a Playboy centrefold shoot, the cover of Cosmo or an LA porn set.

The Story:

There is a theory that beautiful girls don't give the best experience, as they don't feel that they need to make any effort.

Scotch that in Tia's case. Despite being the hottest girl that I've ever paid to see, Tia immediately had me at ease as she entered the room.

Tia has worked for HoD previously, but this was her first day back after some time off. They must be extremely happy to have such a gem back on their roster.

Having taken care of the financials, Tia returned and within seconds we were kissing. Not perfunctory kisses, but real, passionate, erotic kisses.

Tia gave me delightful uncovered oral, before I explored her in return. The sight of her on all fours as I licked her was astonishing, so we slipped on a rubber and started to have sex. Tia has a stupendous body and sex with her is sublime.

Throughout the remainder of the hour we shared a very nice conversation, she would be great company fully clothed in a bar or restaurant (I wish!!).

I gave Tia a massage - I can't stress enough how fabulous her body is (she has a couple of sizeable

tattoos, which aren't really my thing, but she'd still be sexy with a lifesize Graham Norton etched on her abdomen!). Tia returned the compliment and have a very nice touch.

We kissed again as the time was up. If only I'd had more time to spend with her.

Would I visit this lady again? Abso-bloody-lutely!
