The Lady:

Not quite what I expected to be honest. Dont get me wrong she was gorgeous but not the image I had in my mind. She is Brazilian and dark skinned with great enhanced bust and long slender figure (a size 6 I would say).

The Story:

First thing I noticed was that she is obviously a smoker which I dont really care for. Kisses were nice as was the slow undressing routine. Couldn't keep my hands off her smooth body and I told her I would have been happy just caressing her for 45 minutes, but Bella said in her accented voice "No I want to fuck you". Which spurred me on. Started with nice deep OWO and plenty of spit and wanking which I like. Lots of touching throughout both ways with particular attention to her bum and tits. Then various positions from Cowgirl to doggy to missionary and then standing up. Time was running short so she finished me off by hand standing up so I could come all over her tits. Nice chat after.

All in all a great time was had and so I can recommend fully. Thanx Bella from the guy with 2 divorces like you. xxx
