### The Premises:

Clean block of flats on main road, the whole block has got the builders in but did not bump into anyone, felt safe.

### The Lady:

Her pic on the C L site seems about right although she looks a bit older than the 23 stated but not a problem, about 5ft 6, slim, mix of Spanish & Portuguese.. very nice

### The Story:

I felt the need for a release after a hard day at the office & could'nt resist the pic of her I saw. About a 10 min walk from Liverpool street station.

Clean flat, its obvious its solely used for this purpose. sorted out the paper work & she wasted no time in stripping naked & enquired if I would like a massage now or later, opted for 1 later so got down to some FK, oral both ways finished by shagging her in mish.

Nice mix of soft & firm massage rounded things off pretty nicely.

Few points:

some nice touches..... asked if I would like a massage at the start or end, offered me to choose position, speaks good english, smiles & is a warm & friendly girl.

Perfect for a 30 min booking
