The Premises:

It was small, nasty and cheap. The bathroom was so tiny. If you are particular about the bathroom and toilet as I am you know what I mean.

The Lady:

The website pics are fairly accurate. Nice face shame about her fat obese body. Website pics are flattering when it comes to her figure!

The Story:

Went in, she was nice. Handed over the money then went for a shower. When I came back she had taken all her clothes off. She gave a bj and then I told her to slow down. Anyway came in mish. I came withing 10 mins. After that asked for massage. In mish she refused to kiss properly, so I let it go. Then after the massage she moved away. I was annoyed that instead of going for it again she moved away. So asked for second one she said most guys only cum once!! We had a barney then she decided to give me another go. I told her about her poor service and I would expose her. So this girl is also in Cherry girls independent escort her name is Adrianna.

Avoid guys.
