The Story:

Moniq is very slim and petite young girl in her early twenties. She is very shy and submissive type girl. she talk little and passive and she is friendly and nice girl

The problem was that in her web profile said that 1 hour 90 and two hours 160 and also stated lots of activities. However, when I turned up, 2 hours will be 180 and lots of extras I have pay This is put me off and seems like there rare other girls in this group have similar fees

I cannot blame the girls because the have to pay the 50 percent of the their earning to the business that control them. So, for the girls to make them self some extra money is to charge the punters as extra. The business put all sort of things in the website to get the punters come to the door. Check my FR95551 for more details

We had french kissing and reverse oral, oral without and reverse rimming, reverse massage and 69 hand relieve to finish. Moniq is passive and submissive type of girl, so there is no reaction as such

Moniq is friendly and nice girl in certain ways. If you like to enjoy passive and submissive type of girls then Moniq is the girl you can enjoy with. Due to the fact of extra charges, I am not going back and I am moving on

Her photos on the web site are of hers. If you need more information, email me

Note:

I have recently met very nice pregnant girl in central London.If you like pregnant girls then email me for more details.
