The Premises:

IK's 'penthouse' apartment, a short distance from the city centre. Immaculately clean and tidy, nicely decorated. Safe public car park very close by.

The Lady:

Early 20s 5'3" brunette, very slim and toned size 8 - amazing figure. A little more tanned than in the pictures due to a recent summer holiday, otherwise her pictures give a very good impression of her.

The Story:

Tiffany invited me in and offered me a drink - we sat in the living room for a 'break the ice' chat before she suggested I took a shower.

She was sitting on the bed in her underwear - we kissed (no tongues unfortunately) for a bit, then I undressed her and moved on to RO. After a little while she offered to return the favour - decent OWO although not as good as some I've had.

After a little while she put a condom on me and tried to have sex - unfortunately I'm fairly large and she's quite petite, which didn't work out in this instance - full penetration was quite uncomfortable for her whichever position we tried, so instead she brought me to orgasm with a combination of more OWO and hand relief.

I then took another shower (with a nice fresh towel supplied!) and chatted until the time was up. Tiffany is obviously intelligent, has a good sense of humour and I enjoyed talking about travel with her until it was time to leave.

It was a shame we didn't really 'fit' together too well but even despite that I had a good time and left satisfied - although I doubt I'll be back to see her again for obvious reasons I'd recommend her to others.
