The Story:

Ellie looks gorgeous in real life & she was soon on her knees undoing my belt. Her BJ was okay and I liked that she maintained eye contact throughout. There was a mirror handy that I was able to position to watch Ellie servicing me. I had to ask her to suck my balls & after some encouragement she sucked my boys for 5-10 minutes.

Ellie has big, natural-looking boobs & she was happy for me to have a good suck. Sex was in multiple positions and very satisfying. Whilst I was titfucking Ellie I told her I wanted to cum on her face, to which she politely but firmly said: No! I lifted Ellie down onto the floor, handed her my cock & she wanked me with both hands. Ellie had my cock pointed at her face and kept it there even after I told her I was coming. Ellie smiled ruefully as I pumped a few day's worth of jizz onto her cute face.

Ellie is a really nice girl with good English.
