### The Premises:

This place is within a converted commercial unit, just out side the town centre. Plush well decorated reception area, but the room itself could do with a bit of a refurb and some general maintenance issues. i.e. water leak from roof, no door handle (door keep closed by wedging a towel in front of it).

### The Lady:

Very pretty petit brunette in her early 20?s

### The Story:

She provided me with a nice blow job for starters, which I return the favour and went down on her sweet pussy. Before she fucked me, her on top to begin with, then I bent her over and took her from behind.
