The Premises:

Small first floor flat down an alleyway, behind a small shop on Rushey Green and just along from Aldi. Meter parking available in the side streets, on main bus routes and not far from Catford railway stations. Flat is clean and fit for purpose containing both a double bed and a massage table.

The Lady:

Chinese lady in her mid thirties, reasonably slim with long black hair, small to medium breasts with reasonably large nipples. Very firm and nicely rounded posterior. An adequate bush. Pleasant and smiling demeanor, an attractive package. Very limited English

The Story:

I had called expecting to see Alice (see my June 2008 FR) but a very similar, but different girl opened the door. She explained that Alice had gone to Australia for a few months and that she was covering for her. I was not however disappointed. She was just as willing and amenable as Alice.

We engaged in a variety of foreplay with Lena particularly enjoying the attention of my tongue between her legs, she had a small clitty but nicely prominent outer lips. After several minutes attention her pussy became moderately engorged and she was begging for me to not bring her off too quickly.

Lena then turned her attention to Mr Pecker, covered unfortunately, but she definitely passed her "O" levels with good grades. We then had sex in several positions, some of them, at Lena's instigation, quite unusual, but very satisfying. When I did eventually come Lena was quite disappointed, but then insisted on giving me some massage to finish our session.

A very good session with a willing woman; Strongly recommended.
