The Story:

I had heard a lot about Debbie and Jenny and all of it good, so I had expected a great time. Believe me guys I was not disappointed!!

Debbie and Jenny are mature, bright, sweet smelling gorgeous ladies who, when it comes to the business, work together extremely well but there was so much more to this visit than just a fantastic sexual experience. By which I mean that they are so genuinely welcoming, honest and friendly that the sense of value for money is truly exceptional.

Also I would add that I am an older guy (60) and to put it frankly, can't really get it up anymore. I explained this to Debbie and Jenny and I simply could not have wished for a more reassuring and understanding response, with no sense at all of being humoured.

My only conundrum is that when I visit next, which I surely will, how can I possibly stop myself going for the same threesome and not do what I would naturally otherwise do, which is to sample some of the other apparently gorgeous ladies who work there!!

Debbie and Jenny help me please!!!

Lots of love and see you both very soon Richard xx
