The Premises:

Apartment located in nice quiet area, felt relaxed and comfortable, the apartment was simple and cosy, the bedroom was immaculately prepared, with some really nice touches in all, a truly sensual decor.

The Lady:

Everything precisely as described on the website, striking looks, toned voluptuous body, honeyed Mediterranean skin, and the most beautiful eyes.

The Story:

This was the 3rd time I have visited Carmel in the past 6 months, unfortunately I don't reside permanently in the UK, otherwise I'd certainly have arranged to see her many more times. Carmel has a unique personality and is someone I truly enjoy sharing candid conversations with, regarding any subjects whatsoever. As for the sex, I won't go into detail, but I can't imagine anyone with even the slightest hint of a healthy sexual appetite being anything less than entirely satisfied with this lady, everything from the foreplay to the intercourse is so incredibly perfect with her, her body either suggesting or expressing sensual pleasure. I couldn't get her out of my head the last time I left, I guess the only solution is at the very least a few continuous days of her company, so I guess the next time I'll have to cuff myself to her bed and swallow the key !
