The Lady:

she is a tall Brazilian lady of around 24 ish i would say dark hair good looking

The Story:

well she came in we had a cuddle and some kissing, and she felt my crotch and that then it was not long before we were getting into oral on each other then we had sex with her on top and then we had a bit of massage and a chat in the middle bit,

the it was on to round two and some more oral and some more sex i asked to take her doggy and she obliged, this girl is very eager to please, this was my birthday present too myself and she did not disappoint even though she was a replacement for megan who i had booked but was ill, still not too worry! anyway the previous girl i seen at this establishment would do well to watch what holly! for a few pointers i would deffo suggest this holly to others
