The Premises:

Terrace house on estate. Not much in the house but the area is safe and no problem parking.

The Lady:

Nat is probably late 20s and is thin but with a slim waste and a great arse. About four years ago she was featured in an adult DVD which is still available.

The Story:

Nat operates with Sasha and also offers a two girl service. She charges ?100 for the full hour; two girl is ?100 for 30 minutes and ?180 for the hour.

Essentially she offers a GFE but seemed quite happy to do whatever else she was asked. I opted for OWO and she was very good at this ? lots of sucking and licking and again going what she was told. I then licked her out and am certain that she had an orgasm after not a lot of effort.

There?s not many girls have a stud added just so they can give a better BJ!

I then fucked her from behind before she returned to oral. The most spectacular aspect to Nat was both the way in which she went about it and when she announced ?I want you to come in my mouth because I love the taste?. Needless to say I obliged.

There are few girls in the East Midlands who have managed to perfect their oral skills to the extent that Nat has. She is not perfect but if you are an OWO connoisseur then put her on you ?to do? list.
