### The Premises:

Small basic flat, easy to find, pay & display parking outside.

Safe enough, buzzer entry.

### The Lady:

Rihanna is an attractive coloured girl. Nice figure, large enhance breasts. Sexily dressed in red underwear.

### The Story:

1st of all there was a delay in booking, I turned up on time to await her advice on exact location. Texted to say I was in street, no reply. Texted again, no reply. Was about to go then finally received text to say it was OK to go in. Quick shower to freshen up then on to bed. This is where it went downhill.

NO kissing

NO touching

NO boob rubbing - said she was "sensitive"

Oral on me before I was even hard, I need a bit of GFE to start off, but clearly this was a no-no.

I was polite, clean & courteous. Don't know whether she was having a bad day or.....? But she advertises herself as something special. Clearly she believes her looks are enough. They are not enough.

Plus points, not many I'd recall.

Negatives, plenty.

One to avoid at that price.
