The Premises:

Standard flat (most girls seem to work from these types of new build flats - you know the type fake wood floors standard showers etc)

Right opposite the station by Tesco Express. Handy if you want do your shopping afterwards!

I had some hassle getting in and a grumpy concierge opened the door and gave me a look as if to say I know where you are off to. Water of anm old punters back though, so I called him a wanker and went up to the lift :-)

The only annoying thing was Ania was playing some loud dance music in the room, which I turned down when she left with the "present". Im more of a Radio 3 man than Kiss 100. But then I wasnt there for the music.

The Lady:

Ania is not the girl in the photo on her profile, but is very similar. She is a fake blonde nice figure, fake tan, smallish tits Paula is brunette, 23 and slim with nice figure, bigger in the hooters department. Standard EE fare some might say. I clicked with Paula more and would think that she would be a better punt 1 on 1. (see below)

The Story:

I booked to see Ania based on a previous FR, when I arrived, Ania offered me a 2 girl with her friend Paula 23.

When I asked what services were on offer, they confirmed they kissed each other and did a lesbian show, so in for a penny in for 180 quid I said yes.

Started with me kissing Ania - she isnt keen on DFK, Paula joined in (better DFK) and then they kissed each other. I almost came there and then - very sexy. They then both gave me OWO and shared the licks and kissing - real porn film stuff.

Then onto the bed for more fooling around and eventually Ania doing more OWO while Paula licked my nipples. I couldnt hold on for long and came straight away, much to Anias surprise and she pulled away immediately, suggesting that CIM may not be on the menu with her.

Anyway, they then both disappeared for a while and then returned and gave me a nice massage and then a roll over for round 2 which was more of the same, this time finishing in Paulas mouth - she seemed more up for CIM although her BBBJ was a bit too fast for my liking. I didnt get the promised lesbian show of licking, although I think if I asked they may have obliged, I may just have to return to find out!

Overall, I think the 2 girl thing is a bit strange because its hard to concentrate and take it that seriously, so you have to be in the mood for a fun session and treat it as that. If you are looking for a more intense GFE experience, then this may not be for you.

I though ling and hard about submittinmg this FR since there will be an inevitable Punternet Stampede, but these girls are worth seeing so go ahead and enjoy!!
