The Story:

Disaster... with a capital D....terrible from start to finish...

I booked a lady called Lucy (5ft 6, light skinned mix race, slim.. great looker.... 1 hour = ?120..Independent lady, well so I thought !) from the 1st number above, the number is listed on CL & the other well known site.

I was Booked into a hotel near Heathrow for business purposes, called just before 4 pm & Lucy answered & said SHE (Lucy) would be an hour... I thought great!

she called & txt a few times to say she was stuck in traffic, there was a accident so she would be late.... Which is ok.... that sort of thing happens.... so I waited n waited.... eventually the knock at the door came at 7pm.... better late than never I thought....

Answered the door & saw Zoe standing in front of me. Told her I was expecting Lucy...she said "no Lucy is the girl who only answers the phone".... so against my better judgement I agreed to hand over the money ?120.... Zoe says it is 150 for the hour....after failed calls to Lucy I agree to pay.

We strip down & after a little messing about she asks me for a condom....saying she didn't bring one !!... I ask her if we can shorten the booking to 30 mins... she phones Lucy & manages to get hold of her, who tells Zoe to charge 100 for 30 mins.... anyway after the 30 mins are up Zoe asks if she can keep the extra 50 for herself.... well I got 10 back(for a cab) & let the greedy girl keep the rest..& was glad to get rid of her so I could go down to the bar & watch the football.

Zoe told me that the number I called was a agency & not independent girls as advertised....

In Short it was a classic bait n switch & a total waste of time.
