The Premises:

Tenament flat, discreet entry and 1st floor. Met by Lilly and taken to the room. Clean, tidy, music playing,(the best room I have visited outwith a sauna)

The Lady:

I am always weary of pictures on websites but Lilly is stunning. Lilly is a thai lady, mid to late twenties, long dark hair, great eyes and smile, fantastic set of DD boobs that held themselves up excellently, no drooping here. Lovely bum and shaved down below.

The Story:

What a great time - token massge but really friendly conversation, (her english is good) - onto oral without - sloppy and enthusiastic, swapped over, tasted the sweet pie before I flipped her over, on with the cover and indulged in some doggy - I am not a huge fan of the intercourse bit, i prefer the oral and touching etc so after a while pulled out, off with the cover and proceeded to get the best tit wank ever, it was top quality - i would go back just for this! As she lay there, the bed was bouncing Lilly was asking me to cum on her - hasten to add i didn't dissapoint. Lilly kindly cleaned me and her up before giving me a lovely relaxing thai massage. On the hour just when I was expecting the 'thank you' before leaving Lilly started to play with my cock again? she wanted a little more! jeez now thats pressure, this unfortunately was beyond me but on another day! Lilly is here for a week and then she's gone, catch her while you can, i know i'll be back before she goes.
