### The Lady:

As per website. Very attractive. Fantastic figure in every dept. Amazing round bum, large breasts, slim, belly pierce, couple of sexy tattoos on waist and upper back.

### The Story:

This girl had consistently good reviews so thought i would see what she was like. Walked in looking great. very attractive. Just very nice. well spoken. Young for sure. Had a quick chat and went to the bedroom where she stripped off. Wow - what a body. We snuggled up in bed. She doesn't kiss or do OWO which were negative points from my perspective. The sex was good though - in a couple of positions. Not sure if she was genuinely in to it or acting but if the former she did a good job as it seemed real enough, and having sex with her was definitely exciting.
